## CALLING ALL WOMEN

Looking to make a difference in your community while gaining new skills?

**Join Women Build!**

## Why Women Build

Bringing together women of all backgrounds and experience levels, the Women Build program creates an empowering space on construction sites for women to gain new skills, build community, and work alongside Habitat families to help them achieve their dreams of homeownership.

In supporting Women Build, not only are you investing in building affordable housing in Carteret and Onslow Counties, you are equipping local women with the tools and confidence to build beautiful.

## Benefits for Participants

### LEARN NEW SKILLS

Women Build will feature a series of educational workshops that are designed to complement the tasks each group will be doing on the build site. These hands-on training sessions, led by knowledgeable instructors, ensure that participants feel prepared when it's time to start construction

### NETWORKING & CAREER DEVELOPMENT

Women Build is a great opportunity for networking, as it brings together individuals from various industries and backgrounds, fostering meaningful connections and potential collaborations in a variety of fields.

### MAKE A DIFFERENCE

Your hands-on participation helps families achieve stable housing, creating a lasting positive impact on both the individuals you're helping and your local community.
