Building Homes, Building Hope- Your Impact Starts Here

Who we are

Crystal Coast Habitat for Humanity is a nonprofit organization that builds homes and access ramps for working families and individuals in Carteret and Onslow Counties.

Our homeownership program helps families achieve housing stability which can positively affect other areas of their lives including employment opportunities, health, and education.

Sadly, homeownership is unaffordable and out of reach for too many families in our communities. That is why **we need your help** to create a world where every family has access to the transformational power of a home.

41% of Habitat homeowners say they have to go to the doctor less now

92% of Habitat families have an adult family member who has returned to school or is planning to return

90% of Habitat homeowners feel better about their children's futures

We're Stronger Together...

Why Partner With Habitat?

77%

of Americans feels stronger emotional connection to purpose driven companies*

66%

would switch from a product they typically buy to a new product from a purpose driven company*

*2018 Cone/Porter Novelli Purpose Study

Team Building

By working together on meaningful projects to build homes, employees not only strengthen their teamwork skills but also develop a deeper connection to their community, **fostering a sense of pride and shared purpose** within the company.

Change Lives

The work of Habitat for Humanity is impactful and changes lives for generations. Habitat homeowners build their own homes alongside volunteers and pay an affordable mortgage made possible by your support. **Your investment makes a difference**, and with meaningful partnership your team will witness the impact on a family firsthand.

Brand Visibility

Research shows that the Habitat brand is **one of the most recognized brands worldwide**. Our brand is trusted, beloved, and inspiring to others.

By partnering with Habitat, you communicate to your customers, employees, and stakeholders that your business has a **strong social purpose** that aligns with your business objectives.

Turn Surplus into Support

In-Kind Donations

Donating in-kind items like supplies and furniture to Habitat allows businesses to make a profound impact on families in need while also gaining valuable tax benefits and boosting their brand reputation. By repurposing unused goods, companies help **build homes, reduce waste, and demonstrate a genuine commitment to social responsibility**, all while fostering goodwill in their community.

Impact of the ReStore

DONATE

Individuals and companies donate new or gently used furniture, appliances, and building materials. **Saving them money on disposal fees and earning them a tax deduction.**

RECYCLE

The ReStore picks up the donations, rehabs them (if needed) and prepares them to be sold. **Preventing tons of material from being dumped in landfills.**

RESELL

Customers shop an affordable selection of quality furniture, appliances, and building materials at the ReStore. **Purchasing products at a fraction of the normal retail price.**

REINVEST

Profits raised from the ReStore go towards **building more affordable homes and access ramps in the community.**

Donation Process

Why We Matter

By working hand in hand with local families, we don't just build homes; we build a future where **children can thrive, parents can find peace of mind, and entire communities can flourish.** Every nail hammered, every wall raised, and every moment of volunteer work brings us closer to creating a world where everyone has a safe, stable place to call home.

Star's Family

Habitat streamlined opportunities for our family that wouldn't have been available otherwise.

Gus' Family

It's been a lot of work and a lot of patience. We're happy and there are a lot of emotions, but mainly we are grateful to Habitat and everyone who helped out. We're excited to build lifelong memories in this home.

Emily's Family

I'm gaining valuable insights into construction while infusing love into every corner. It's demanding work, but it's evidence that with determination, anything is achievable, irrespective of one's past.

Local Impact
